MADE IN JAPAN TABLEWARE

In heart of Japan, in small workshop called Sakuzan is one of the places where unique pottery of brand MADE IN JAPAN is made. Tableware produced by Japanese craftsmen in traditional way has been handed on for generations to ensure the biggest possible quality for HORECA. Made in Japan brought their beautiful products to Australian, New Zealand and Japan market for the first time almost 3 decades ago. In the meantime, quality was tested in gastronomy by more than 75% of HORECA customers in Australia.

Since 2016 we are happy to bring these beautiful products to Europe as exclusive distributor.
